January 2018

Vol. 18, No. 1

President's Corner

We had a nice group for the November Potluck and the food was delicious. I have to put in a plug for Broma's in Brookhaven because they sure bake a great ham.

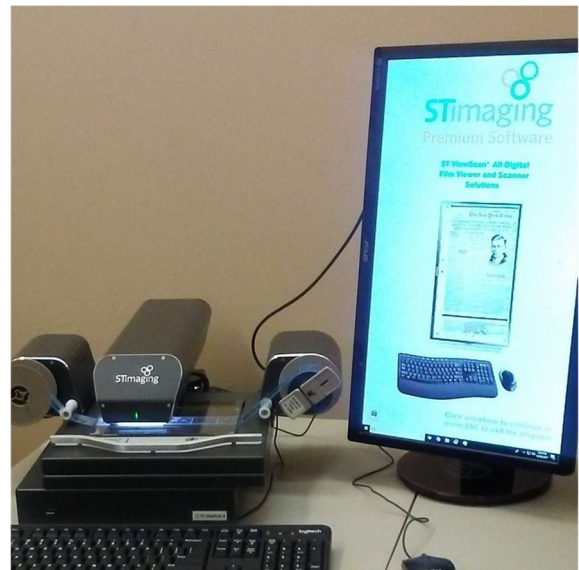

As we all know the Bicentennial celebration scheduled for December 9 had to be cancelled because of the snow. Not an excuse we can use very often!

This picture is from the "Sylvia Johnson Collection." She went to Holmesville at 9 AM just in case someone didn't get the message and wound up giving a personal tour to some out of towners.

The Celebration has been rescheduled for January 13 so be sure and put it on your calendar and fingers crossed it doesn't snow again!

The new microfilm viewer is at the McComb Library! Monica Wilkinson posted this picture. It's sure a big change from the old ones—can't wait to try it out
